KEY:

Introduced Species
Vagrants and Rarities
Endemic to SA
Hybridisation
Critically endangered Species - 2015 Eskom Red Data Book of SA
Endangered- Birdlife International DataZone (21 Aug 2017)
Vulnerable- Birdlife International DataZone (21 Aug 2017)

1. CS- Contact SAFRING to make sure which rings to use. Rather not ring a bird than using the wrong ring.
2. Take note of targeting listed species and colonies. Special skills and/or permits may be needed.
